Importance: High

Dear All,

Thank you, again, for participating in the Scientific Integrity Panel on Sierra Club allegations regarding Administrator Pruitt's remarks about climate change and whether they violated the Scientific Integrity Policy.

Attached are the last drafts of the Scientific Integrity Review Panel's report and the Agency's response to Sierra Club. This is your last chance to suggest any changes. We are about to send

these to Bob Kavlock.

Thank you for your help with this.
